A.A. Industries, Inc., U.S.A. 828
AEG punched-tape control. Scharmann horizontal boring and milling machines fitted with 31
AEI Electronic Group.: A new high-speed tape reader .. 536
A.I. Efremov Tyazhstankogidropress Type 2B660 heavy-duty horizontal boring, drilling and milling machine 1376
A.I. Welders, Ltd.: Combined shearing and welding machine for metal strip 806
AIL calibration machine 515
AMF-Thermatool, Inc.: Pipe welding installation at U.S. Steel Corpn. 1361
APT III computer for programming numerically-controlled machine tools. Univac 1107/8 123
APT Program Europe 123
A.R.O. Machinery Co., Ltd.: 169A pincer spot-welding gun .. 604
No. 206 C-type spot welding gun .. 617
ASEA (G. Britain), Ltd.: "Furnace Day" 834
ASEA synthetic diamonds 740
Abrams stepping motors 1332
Abrasive-band finishing unit. "Willow Tools" Whippetoff 490
Abrasive-belt grinder for punches and dies. Kar-Ry 638
Abrasive-belt machines. Thos. White type TOP/VW and TOP/V 1094
Abrasive Developments, Ltd.: Additional premises 49
Abrasive pads and discs. Bear-Tex .. 1428
Abrasive-wheel cutting-off machine. Osmond 479
Abrasive-wheel cutting-off machine. Osmond type OX/SB 790
Abrasive-wheel cutting-off machine. Wallace 260
Accles & Pollock, Ltd.: Special coiling unit for use in the cold drawing of steel tubes .. 316
Accounting machines. Making Odhner calculating and 4, 452, 844
Accumulators, Greer-Mercier hydro-pneumatic, fitted to two Becker lathes 946
Accupin measuring system. The G.E. 175
Accutron automatic inspection equipment for gudgeon pins .. 571
Ackworthie, Ltd.: Components store made from Dexion slotted angle and edge perforated shelves 1320
Acme-Eico fully-automatic installation for finishing bumper bars 1131
Acramatic 220 series tape control. Carlton drilling machine with Cincinnati 1354
Acrow (Engineers), Ltd.: Cranes for the Cincinnati foundry 94
Adamson, Joseph, & Co., Ltd.: Special press for producing heads for pressure vessels 1379
Additive for pickling baths. Multi-purpose 487
Adhesive. Assembling stators with Loctite 756
Adhesive film. Protection of large components with Fablon 854
Adhesive material for nameplates. FasCal-750 130
Adjustamatic adjustable stock guides 370

Advance Controls, Ltd.: Type MT38R magnetic transducer 484
Aerial reflector. Stainless steel .. 126
Aero Heat Treatment, Ltd.: Cold-sawing hollow thin-section materials 13
Agitator. Binks-Bullows hydraulic .. 881
Air-bearing spindles. Myford cylindrical grinder with 1329
Air bearings, Plain and rolling bearings versus, for grinder wheelheads 1414
Air, compressed, High energy-rate forming by means of 1299
Air-cooled diesel engines. Dorman .. 962
Air filtration louvre produced by injection moulding in Delrin Acetal resin 271
Air filtration units. Airking 694
Air freight transport. Despatch of single-spindle automatic to Canada by 1055
Air gauging equipment. RIV 801
Air-motor driven gear-reduction unit. Cast 941
Air-operated capstan lathe with programme control. Liebert & Gurtler 767
Air-operated drill. Atlas Copco portable 940
Air-operated jib grinding spindle. Vulcanaire 1327
Air-operated spring compressing machine. C.H.S. 22
Airborne Instruments Laboratory Divn. of Cutler Hammer: Laser interferometer machine for calibration 515
Aircraft panels. Vacuum brazing honeycomb 1306
Aircraft parts. Electrohydraulic forming of tubular 192
Airking air filtration units 694
Airmec, Ltd.: Film: Autoset machine tool controls 104
Tape control equipment on Herbert turret drilling machine 1068
Aldell U 35/1A single-spindle drilling machine 323
Alemite trolley wheel lubricator and oil mist lubricator for link pins .. 712
Alfa-Laval Co., Ltd.: De Laval type S.W. washing unit 1054
Delavac turbine oil-purifying unit 248
Alfing transfer machine. Sigma automatic gauging equipment on .. 661
* Alignment system for a press bolster 1100
Alkett Maschinenbau G.m.b.H.: Rotary swaging machines 495
Allen West & Co., Ltd.: PB5 reed switch 1264
Alloy. Wallex No. 55 hard-facing .. 97
Almaform drawing compound for sump pressings 716
Almco Supersheen Divn. of Gt. Britain, Ltd.: Sub-O-Matic cleaning and deburring plant 922
Alston Tool & Gauge Co., Ltd.: Relief grinding attachment 1139
Alternator for arc welding. Oerlikon type EFS 250 870
Aluminium alloy die castings for load-bearing applications in motor cars. Production of 1149

PAGE

Aluminium alloys. Die casting bicycle frame tube joints in 702
Aluminium alloys, Die casting, in the Ruffini foundry Turin 205
Aluminium engine components for the Hillman Imp. Die casting 418
Aluminium pressure die castings. Special machine tools and transfer lines for operations on 929
Aluminium Wire & Cable Co., Ltd.: Hydrostatic oil pressure to assist wire drawing 407
Aluminium working. Improved facilities by the British Aluminium Co, for 260
American Bosch Arma Corpn.: Electrical discharge machining fuel metering slot 87
American Brake-shoe Co.: Denison Divn.: Series 100 indexing work tables .. 1259
American Motors: Installation of power-and-free roller conveyors to provide flexibility and avoid damage to work-pieces .. 627
"American" Versatel lathe fitted with Bunker-Ramo numerical control .. 593
Amoco (U.K.), Ltd.: Permamul Fluid hydraulic fluid .. 1213
Analysis, Coverage - a technique for calculating minimum stocks .. 563
Analysis, Sound economical and technical - the first vital step in automation 967
Analysis, Value - a technique for cost reduction 186
Anderton Springs, Ltd.: Television monitoring of work in furnaces 465
Angle counters. Bowmar precision .. 916
Angle measuring system. Zeiss linear and 655
Angus, George, & Co., Ltd., Oil Seal Divn. 864
Anti-corrosive material. Ferrofor .. 67
Anti-friction bearings for heavy loads. Linear 134
Anti-vibration mountings. Wedgemount and Jackmount 551
Apex Construction, Ltd.: Aquacut cutting-off machine Type 228 67
Appleton, N.V., Ltd.: Award for die cast components for metal window frames 267
Applied Chemicals, Ltd.: Applied-Oliver Douglas type B.D.2 spray washing machine 939
Aquacut cutting-off machine. Apex type 288 67
Arbors. Bristol-Erickson "push-on" 747
Archdale, James, & Co., Ltd.: Rotary transfer machines for operations on pipe fittings .. 1191
18-station transfer machine fitted with Brookhirst Igranic switchboard 215
Arco air-hydraulic feed unit 1156
Arcotron micro erosion machine. S.L.E.E. 1134
Aristo type 4438 Co-ordinatograph plotting and marking-out machine 802
Aristo co-ordinatograph used for production of control tapes .. 340
Armature shafts of Monel K-500 .. 909
Arno 1 N universal milling machine .. 1221
Aro-Broomwade Tap-a-Matic tapping unit. Set-up on 88

Asbestos in insulating materials for electro-magnets 1190
Ashdown Bros. & Co. (Engnrs.), Ltd.: Fluidized-bed machines for plastics coating 147
Ashlea 5-in. sine bar 236
Asquith, William, Ltd.: PowerThrust type 2NC horizontal-spindle drilling machine 757
Assembling connecting rods and caps. Automatic machine for 1311
Assembling Dixi jig borers. New facilities for 968, 1044
Assembling selector pins. Automatic machine for 851
Assembling stators with Loctite adhesive 756
Assembly, Automatic, of calculating and accounting machines 944
Assembly of bushings by brazing. Fixture for 117
Assembly of Coventry Climax crankshaft. SKF oil injector used in 1257
Assembly by die casting 115, 702
Assembly by die casting method. Some possibilities of the 707
Assembly line for diesel engines .. 664
Assembly line for Dowty Dowmatic hydrostatic transmissions .. 738
Assembly machines. Versimatic automatic 917
Assembly methods, Factory line-, in the building of large ships .. 228
Assembly operations on motor car horns 1187
Assembly of pump vanes. Automatic 1092
Assembly of rear axles. Automatic 1254
Assembly of washing machine drums. Use of Spencer Franklin hydraulic clamping units for the 436
Assessing investments. Discounted cash return method of 963
Associated British Machine Tool Makers, Ltd.: 97, 306, 1249
Associated Electrical Industries, Ltd.: Micro-machining with lasers .. 1265
Astral barrel plating machine. Hockley 38
Atlas Copco (Gt. Britain), Ltd.: Type LBB 33H26 portable air-operated drill 940
Atlas curve analyser and integrator 1186
Altemutector ultrasonic flaw-detection unit. C.N.S. Instruments Mk. 4 .. 928
Anerbach type F 250 by 1000 vertical milling machine with programme control equipment 766
Aurora Gearing (Wilmot North), Ltd.: Toothed-belt drive 990
Auto Precision, Ltd.: Line of Swiss-built Petermann automatics 667
Autodrill R 1000 machine. Tape-controlled drilling operations on compressor parts on an 44
Autofeed, Cromparc, stud welding equipment 1263
Autogil automatic roll feed press. Wallis type 120 1425
Automated cleaning and deburring plant. Large 932
Automated forging at B.I.S.R.A. .. 80
Automated moulding line at the Ford Thames Foundry Dagenham .. 1359
Automated production of motor car pistons. Highly 60, 284
Automated set-up for broaching both ends of propeller shafts 697
Automatic assembly of accounting and calculating machines 844
Automatic assembly machines. Versimatic 917
Automatic assembly of pump vanes .. 1092
Automatic assembly of rear axles .. 1254
Automatic ball-sizing machine .. 459
Automatic bar classifier. McKay .. 1241
Automatic billet grinder. Brookes .. 826

Automatic capstan lathe. The AutoWard 1429
Automatic CO_2 pipe welder. Philips type PZ 5031 808
Automatic control of quality as an integrated part of a manufacturing process 885
Automatic copy milling attachment. Mimik 1262
Automatic cutting-off machine. Additional work-holding arrangement for Bimax TA 50 996
Automatic-cycle milling of stub-axle forgings 963
Automatic deburring machine .. 10
* Automatic deburring machine .. 1099
Automatic die casting machine. Dynacast high-speed 1330
Automatic die casting machine. Toriko S.M. 64 428
Automatic drilling machine 456
Automatic Equipment, Ltd.: Continuous stoving oven 206
Automatic face-milling machine. Vogtland 772
Automatic feed arrangements for cut lengths of tube 564
Automatic finishing of bumper bars. Acme-Efco installation for .. 1131
Automatic gauging machine. Micromatic 1332
Automatic grinding of contoured parts from hardened stock. Continuous 528
Automatic handling avoids damage to transmission gears 751
Automatic handling of transmission cases between machining operations. .. 862
Automatic high-speed gear hobbing machine. Morat type B110 .. 154
Automatic honing machines. Japanese developments in 183
Automatic hydraulic copying lathe. Russian 1373
Automatic inspection machine .. 11
Automatic inspection machine for gudgeon pins. Sheffield 571
Automatic machine for assembling connecting rods and caps 1311
Automatic machine for assembling selector pins 851
Automatic machine for cutting rubber tubing 844
Automatic machine loading, inter-operational material handling, and interlocked gauging 1270
Automatic machine for machining and assembly operations on turnbuckles. Vogtland 770
Automatic machine tools. Photronic type DPC/TD control unit for .. 153
Automatic machines for connecting rod production. Some 1310
Automatic milling machine for ratchet teeth 454
Automatic presses. "Integrated Electronics" Minit-Man control unit for 520
Automatic programme-controlled turret lathe. Minganti Minaut 1303

Automatic. Rapid production of gear blanks on a large-capacity multi-spindle 700
Automatic roll feed press. Wallis type 120 Autogil 1425
Automatic. Rydermatic No. 158 vertical single-spindle 480
Automatic screw-making plant. Russian 1316
Automatic shear blade grinding machine Thos. White Type AKG 1003
